## Directions to the Birmingham Office

### Where we are...

Alpha Tower is a distinctive multi-storey office block near the roundabout junction of Broad Street (A456), Paradise Circus and Suffolk Street Queensway (A38 route). Alpha Tower boasts panoramic views of the city and is adjacent to the Crown Plaza hotel, on the same strip as The Mailbox.

### By Road

Arriving into the City Centre, follow the signs to the International Convention Centre (ICC) or Symphony Hall. Both are situated on Broad Street close to Alpha Tower. If driving along Broad Street from the M5 Junction 3, take the fourth right into Gas Street, turn right into Holliday Street, left at the dual carriageway (Suffolk Street Queensway), and almost immediately left again into Alpha Tower Plaza.

If driving from the M6 or the M5 Junction 4, take the A38(M) or A38 for the City Centre. Then follow the signs for the Crowne Plaza Hotel which stands next to Alpha Tower, this involves leaving the A38 immediately after the Mailbox.

There are two car parks close to our offices, on Holliday Street and Navigation Street. Limited street parking is also available on Bridge Street and Holliday Street

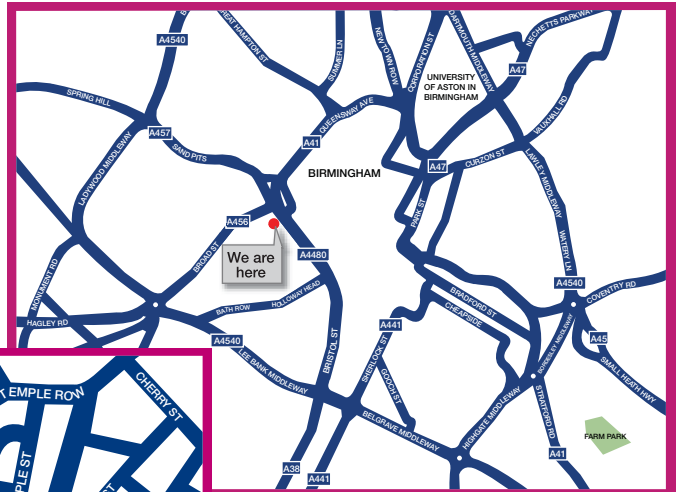

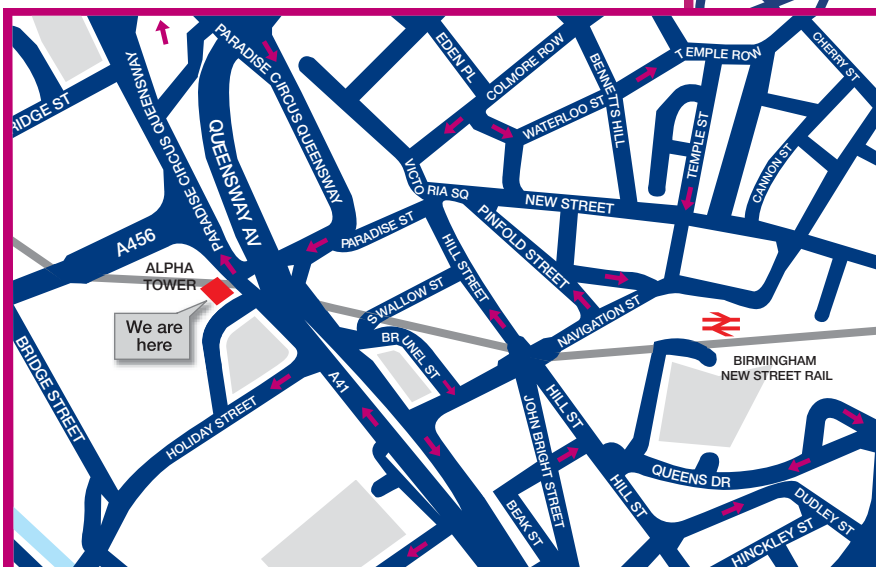

### By Rail

To Birmingham New Street and then by foot.

### By Foot

From New Street Station take the 'Exit to Victoria Square' at the 'b' end of most platforms and walk up Pinfold Street, directly opposite the exit, to Victoria Square.

Or, from the main exit of Snow Hill Station turn right along Colmore Road to Victoria Square. Follow signs for the International Convention Centre (ICC), keep to the lower part of Victoria Square, and take the pedestrian crossing across the dual carriageway through Fletcher's Walk covered shopping arcade.
